### **Driver Crashes into Building**

On Wednesday, June 15, 2011, at 2:15 p.m., Beaverton Police Officers responded to a single car crash at Safeway 14555 SW Teal Boulevard. The caller reported a vehicle had crashed into the building.

Upon arrival officers found a Subaru Forrester had been driven through the glass doors at the east end of the Safeway building. The vehicle was driven by 51 year old Lori Bearden, who remained at the scene and was fully cooperative with police.

Ms. Bearden told investigators she believed she was on the brake but had misjudged and ended up crashing through the glass doors of the bottle return area. There were two patrons inside at the time of the crash. No one was injured.

There is no suspected impairment of Ms. Bearden, who was the only occupant in the vehicle, and no citations were issued.
